INTRODUCTION TO OUR U3A

Farnham University of the Third Age, U3A, is an educational, self-help organisation providing study groups, recreational and social activities at minimal cost for older people in retirement or semi-retirement. We share our knowledge and skills and we value the experience of older people. Farnham U3A is a member of the Third Age Trust, which represents local U3As throughout the UK. Farnham U3A was formed in 1990 and now has over 1,000 members and runs more than 95 different Groups most of which meet at The Farnham Maltings. This programme gives details of the classes available in 2016/2017.

There are three exceptions when an extra charge may be made:

1. For a professional tutor, external speaker or materials, these are noted in the programme
2. To cover the costs of printing, photocopying or other minor expenses for the class, not usually exceeding £1.00 per person each term
3. A few Theme Meetings, which are ticketed in advance, are indicated with an * on pages 3 - 4

Once you have paid your subscription for the year, you may join the classes of your choice by contacting the group secretaries before our Registration Morning. Your membership subscription entitles you to join as many classes as you wish, at no extra cost, subject to there being space available, see below for how to join up. All the classes will be represented at Registration Morning, on Monday, 5 September, from 10 a.m. to 11.30 a.m., at The Farnham Maltings.

This is an opportunity to learn more about those that you may be interested in, to join up in person, and to find out more about events connected with our theme for the year, "The Natural World", which are open to all members.

Changes to the Programme, and other information about the U3A (Clubs, Events, Outings, Special Meetings) are posted on our Website, at www.farnhamu3a.org.uk, emailed regularly to members in our U3A Update newsletter and displayed on the U3A Notice Board in the corridor leading to The Maltings Café.

You must show your new Membership Card when registering for or joining a class. Please renew your membership before 31 July so that your new membership card can be sent to you in time for Registration. You may renew your membership at The Maltings on Registration morning - but this may involve queuing.

How to join a group

Contact the person shown as the contact for the class, preferably by email who will be able to answer any questions that you have and help you to decide whether the class is for you.

Contacting Classes and Committee members by telephone

Class contacts and Committee members should normally be contacted by email and should only be contacted by telephoned during office hours, please.
