Tony will acknowledge receipt of all images</i>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | Tony Watson                                           |
| 29 <sup>th</sup> September Meeting/Talk                                                                | <b>IMELDA TURNOCK Published &amp; Exhibited Portraits/Music/Street/ Interiors/Events @imeldat.photography on Instagram.</b> Imelda will talk about her photographic journey from when she became interested through to where she is now and will incorporate her experience of photography in relation to a brain tumour and how it's been and continues to be a lifeline for her recovery journey. She explains how photographs are a substitute for 20+ years of lost memory.                                                                                                                                                                                                                                                                                                                                                                                                           | Imelda Turnock                                        |
| <b>EVENING 6.00-8.00</b><br><br><b>NO MORNING MEETING</b><br><br>13 <sup>th</sup> October Meeting/Talk | <b>MARK EDWARDS OBE – HARD RAIN    *EVENING MEETING*</b><br><br>Mark Edwards is one of the most widely published photographers in the world. His pictures are collected and exhibited by museums and art galleries in Europe, the US and by private collectors. He's recognised as the first photographer to focus on the environment and sustainable development issues. In 2006, he produced the Hard Rain exhibition, a collaboration with Bob Dylan. Hard Rain is one of the most successful environmental exhibitions ever created, attracting an audience of some 15 million people around the world. <i>Hard Rain is a piece of sustained beauty. I treasure it. Arundhati Roy Author and political activist involved in human rights and environmental causes</i> . Mark will also talk about Christiania an alternative commune in Copenhagen where he lived for a year in 1979. | <b>EVENING MEETING</b><br><br><b>Mark Edwards OBE</b> |
| 27 <sup>th</sup> October Meeting/Talk                                                                  | <b>JEFF KELSEY - EXPOSURE TRIANGLE</b> - ISO, aperture and shutter speed. How to balance these for given situations, plus the pros and cons of using each to control exposure. Plus how it can be applied to smartphones.<br><b>MARK RENDALL –</b> Mark will discuss the different effects obtained when changing your <b>ASPECT RATIOS</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | <b>Jeff Kelsey</b><br><br><b>Mark Rendall</b>         |
| 10 <sup>th</sup> November Meeting/Talk                                                                 | <b>CHRIS GORMAN – THE BIG LADDER PHOTOGRAPHER</b><br><a href="http://www.bigladder.co.uk">www.bigladder.co.uk</a> Chris's talk will cover 50% of his tabloid work and 50% drone work. His tabloid work covers time as a photographer for the News Of The World and The Daily Mail...this is very celebrity led...including images and stories around pictures of David Attenborough, Margaret Thatcher, Diana Princess of Wales and Kate Middleton. He has been featured by the <a href="#">The Daily Telegraph</a> and <a href="#">The Times</a> as having the best drone photography of 2024 and 2023 consecutively.                                                                                                                                                                                                                                                                    | Chris Gorman                                          |
| 24 <sup>th</sup> November Meeting/Talk                                                                 | <b>BRIAN HOUGHTON - AROUND THE WORLD IN 80 MINUTES</b><br>Brian will take us on a lightening trip around the world in photographs showing different peoples, cultures, climates and traditions. We are all different but we live in one world.<br><b>YEARLY CHALLENGE IMAGES:</b> <i>Please submit 4 images, one each of Winter, Spring, Summer &amp; Autumn to Doug Gordon <a href="mailto:gordondrg@btinternet.com">gordondrg@btinternet.com</a> by 31<sup>st</sup> December Doug will acknowledge receipt.</i>                                                                                                                                                                                                                                                                                                                                                                         | Brian Houghton                                        |
| 8 <sup>th</sup> December Meeting/Quiz                                                                  | <b>CHRISTMAS QUIZ –</b> Everyone to PRINT 1 close up image of an everyday object taken from an unusual angle. Photographs to be displayed around the room. Please put your name on the back. Everyone to guess the object.<br><b>PLUS UNWANTED EQUIPMENT CAMERA SHOP</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | ALL                                                   |
